

LOCAL RIFLE FAMILY..

..Goes on a MONGOLIAN MISSION!

My husband and I have lived in Rifle for 10 years. We have two young sons; 8 and 4 years. We are have been selected to do some volunteer/humanitarian work in Mongolia both teaching English and assisting in rangeland management promoting best practices. While we are being allowed to go from our positions (government positions), but we will be without pay for 90 days. We are sort of racing against the clock as it would have us leaving in 40 days from today if we can get the support we need. My husband and are I are extremely involved with the community (church, boy scouts, Habitat for humanity, 4H, local fundraising for community projects, volunteering at lift-up and library, etc) so this would be something that we would come back and share at many levels. For any questions, do not hesitate to call us at 970-217-8189. We thank you for your consideration to donate to this mission!

With Gratitude,
